## Private In-House Dinners

Nancy's is excited to offer a unique dining experience for hosts that wish to have intimate and private dinners with flexible gourmet dining and bar options. Our shop is transformed into an eloquent dining room, accommodating up to 28 guests for seated dinners and 35 guests for cocktail parties.

From five course dinners with wine pairings, to cocktail parties, and live cooking demonstrations- Nancy's is dedicated to providing innovative cuisine and creating the perfect menu for every occasion.

**Menu:** Hosts may choose from one of our standard menu options or design a customized menu to suit their event. Custom menu cards for any event, if needed, can be printed for an additional charge.

**Dessert:** Many dessert options are available depending on the style and serviced nature of event. Cakes provided by host will have \$3/guest charge.

**Bar:** Hosts that choose to offer alcohol to their guests may select from a variety of bar options. Any wines provided by host will have a \$15 corkage fee.

**Set Up:** We have a wide variety of décor, set up and layout options. Hosts may bring personal décor and audiovisual equipment is available.

Events held Monday-Saturday will begin at or after 7:00pm, once the shop closes for regular business; Sunday events are available all day.

All events have a \$400 minimum for Food & Beverage and require a \$200 deposit. If the minimum is not met, then the difference between the food & beverage total and the \$400 minimum will be charged as a "room charge".

Service/staffing charges will vary based on number of guests, type of event and style of service.

Rates and Policies are subject to change based on individual event.
